Pastor Mukesh started a new church in Northern India. God's anointing blessed his ministry and it wasn't long before people got saved, water baptized and filled with the Holy Spirit! Soon, he and his family received threats from local religious radicals.

One day, they came home from church and found that all of their belongings, clothing, food and furnishings had been stolen! But Pastor Mukesh had decided that they had been called there and were not going to leave. God continued to grow the church and Mukesh's vision grew. He realized that he could not fulfill God's vision alone and he prayed for leaders to help in the church.

Pastor Mukesh heard about ICoM, Global University's India College of Ministry, and one of our technology projects. Mukesh was thrilled that his leaders could help him reach his city while they were training for ministry! They have started house churches in 14 villages throughout the area! Praise God that Pastor Mukesh

stood strong and is now training others in ministry as well!

Students in India sign up for ICoM courses.

Please be in prayer with us as we begin working on Version 2.0 of Global University's Online Bible School system. It drives 36 schools including several in closed countries, and over 30,000 students around the world. Each of these schools has unique needs, and we are seeking the Holy Spirit's guidance on how to

meet these needs in the future.

If you would like to help with our Online Bible Schools project, please visit <http://obs.fredcrystal.com>

Praise God for His provision for our ministry! So far we have gained \$450.00 of the \$1,174.00 per month that we need to raise. And we have \$4,000.00 of the \$47,000.00 in cash that we need to raise! Please continue to pray for God's provision for our ministry.
