## Discipling in Nepal

Dr. Bal Sharma is the Nepali National Representative for Global University and the Principal of Nepal Theological College. He has had our entire Christian Life and Christian Service level courses translated into Nepali to help raise up pastors in this primarily Hindu nation.

In a recent email, Dr. Sharma relayed an urgent situation in Nepal. There is much that we cannot relate for security reasons, but recent changes in the country's Constitution have made operations difficult for the Nepali Church.

Dr. Sharma would like to travel to meet with us and other National Representatives in June to discuss the situation and put together a strategy that will work in Nepal.

He would also like to produce videos to assist the Nepali Church in training pastors. We produced [such a video](#) with him (see box on right), and he would like to

produce more of them. We have suggested that he produce the [Cornerstones of Truth](#) video in Nepali.

Please be praying for the Church in Nepal as they learn to function under the new laws and be praying for Dr. Sharma as he trains pastors to shepherd their flocks.

We have set up a ministry project account to assist Dr. Sharma with travel expenses as well as to produce videos. If you would like to assist with this urgent need, you can give securely to the GlobalReach Nepal Fund at [HelpNepal.fredcrystal.com](http://HelpNepal.fredcrystal.com) or contact us for more details.

## Kovach Praise and Prayer

† Please continue to pray for wisdom and God's anointing on the India College of Ministry project and the new Global University Software Platform. Both are large projects that will be reaching the difficult places for Jesus.

† Please stand in prayer with our brothers and sisters in Nepal as they strategize to function under new laws there.

## Phillip, Stephen and Hope's Corner

Hello everyone! Stephen Kovach here with the Kovach Kids Corner! The weather is finally warming up outside, and the Kovach family is as busy as ever.

Hope is continuing to do an amazing job figure skating, and she was able to bring home 3 gold medals and a silver medal from her last competition in Nebraska! Her hard work is really paying off.

I now hold a Private Pilots License, after finally passing my tests in early February! Now, I am working on my Instrument Certification, which allows me to safely navigate in low-visibility situations, such as fog or snowstorms.

Phillip is doing swell, as usual. He now works at the Assembly of God Headquarters in Order Fulfillment, where he works hard to distribute materials to Churches all over the country and around the world!

Enjoy the Spring, everyone, we'll talk again soon!
